

What is Family Child Care?

Family Child Care (FCC) is a community-based network of Family Child Care providers who offer care and early education to children in a home setting.

Providers are licensed by the Department of Early Education and Care, and offer early care and education for children from infancy to school age.

Family Child Care is available in Holyoke, Chicopee, Springfield, West Springfield, Westfield, Agawam and Feeding Hills.

Our year-round services also offer flexible scheduling and individualized enrollment. Tuition assistance and transportation may be available.

VOC's commitment

VOC is committed to supporting community based providers in their partnership with parents. VOC works to ensure high quality professional early care and education services that meet the social, emotional, physical and cognitive needs of all children.

VOC also promotes and encourages FCC Providers in their pursuit of further professional education.

Our Goals

The program goals are to:

- Strengthen and enhance family life while supporting individual child development.
- Enhance professional development for Family Child Care providers.
- Respond to identify needs for the communities VOC services.
